Dear Dr. M. L. Hsieh

I am especially interested in your paper entitled The involvement of monoaminergic and GABAergic systems in locomotor inhibition ... p. 227

which appeared in International Journal of Clinical Pharmacology Therapy and Toxicology, Vol. 20, No. 5, May 1982

A reprint of this and any other papers of similar nature will be greatly appreciated.

Thank you very much for your courtesy.

Sincerely yours,

W. Marvin Davis, Ph.D.
